Accommodations

- ◆ Audio books help your student broaden their vocabulary, increase comprehension skills, boost confidence, and overall help them become the best student they can be.
- ◆ Research shows that following along with the story does not help a dyslexic student learn how to read or be able to recognize words. In fact, they may lose focus and comprehension on the story, and eventually become frustrated.

To find audio books that you can download:

- ◆ check your local library
 - ◆ Audible.com
